## PHARMACY **care** AWARD

For the 10th consecutive year, Eisai Inc. has recognized pharmacists who have had an extraordinary impact on the lives of individuals with Alzheimer's disease and their families. Eisai and the Alzheimer's Association are pleased to honor Hedva Barenholtz Levy, PharmD, BCPS, CGP as the recipient of the 2010 C.A.R.E. (Commitment to Alzheimer's Recognition of Excellence.) Pharmacy Award.

Dr. Levy is well recognized in the St. Louis geriatric community as a dedicated professional who has consistently given of her time and talents to support those affected by Alzheimer's disease. The ballot supporting her nomination stated *"She always goes out of her way to thoroughly research a topic and provides current, accurate and unbiased information for patients and caregivers."* Dr. Levy received both her Doctor of Pharmacy and Bachelor of Arts degrees from the University of Michigan.

Congratulations, Hedva Barenholtz Levy, and thank you for your remarkable efforts on behalf of those affected by Alzheimer's disease.

Commitment to Alzheimer's.  
Recognition of Excellence.
